Thanks to all who have contributed to the Red Wolf Gallery at redwolfgallery.org. The Gallery is a place to enjoy and download free photos & videos to use for bringing awareness to red wolves. Numerous SAFE facilities and independent photographers have loaned us their photos for use.

As of 10-2022, we have had over 45,000 photo/video views since our launch in late May 2022. If you still have photos/video, we'd love to showcase them in the gallery. Email me at loti@weilerwoodw.com for upload instructions.

Our new film, Falling in Love with Red Wolves, should be out in Nov '22. A link to the trailer is included. This is a free resource to be used in educating kids & adults (of all ages) about the majestic red wolf. The film is brought to you by Weiler Woods for Wildlife in partnership with Cassia Rivera, Nancy Arehart, Jennifer Hadley, Lisa Strong, Ron Anderson and Bright Coral Creative. Also, thanks to Joe Madison for reviewing & editing the transcript. To see the trailer, <https://youtu.be/i-g55V1Ctn4>

We have found great success in teaching children about red wolves from 3rd grade thru 8th grade using art + educational resources. In Oct 22, we have taught over 250 kids in a 2 county area in Western NC. The kids faces when they got to sculpt red wolf heads from clay are priceless. Anyone wanting to learn more about the lesson plans we used can contact me at loti@weilerwoods.com.
